

Club Directors / Coaches,

This is a friendly reminder that starting February 1, all rosters must meet requirements for this season. Those requirements include:

- ALL Coaches must have their Coach Ref/Score clinic completed. This will show up as a 'Y' under the ref column. You will NOT see a 'Y' under the score column unless you took a score clinic.
- Rosters must have a minimum of two (2) players certified as a junior referee and two (2) players certified as a junior scorer. These cannot be the same people. Only those who have competed their junior ref or junior score clinics should be the ones working in those positions. The roster will have a 'Y' under the ref and/or score column for those who have completed the clinic(s).

PRINTING ROSTERS

Along with the roster requirements as stated above, this roster should also have the Roster & USAV Medical/Emergency Release Form Verification at the bottom of the form. See example.

 

ROSTER & USAV Medical/Emergency Release Form Verification

Coaches of the teams in this event are required to carry with them at all times completed USAV Medical/Emergency release forms. The person signing this form verifies that:

1. The above roster is correct and contains all players who will be participating in the event. All players meet age requirements.
2. They will have in their immediate possession at all times during this competition a completed copy of the USAV Medical/Emergency Release Form for each player listed on the official roster.
3. The team understands it is subject to any and all penalties if this roster does not match the participants attending the event, regardless of who signs this verification.

Print Name

Signature

Phone Number (if different from above)

Date

Please make sure the roster you may have received in December is meeting all requirements. If it does not, print a new copy. ALL adults listed on a junior roster have the ability to print their own roster from their own membership record in the membership database.

- Go to www.gpvb.org
- Click Membership Login
- After logging in, click Member Area
- Click Member Profile
- Click Team Rosters tab at top
- Click the red button that says TEAM ROSTER for the roster you want to print
- Print

Sometimes the roster may go to 2 pages. This can be caused by a few things. Margins on your computer are set at certain size or the number of people on the roster can push this to 2 pages. Make sure you have all of the roster.

BADGES

Coaching badges are being sent out now. Some were sent on Thursday, 1/22 and many will be sent out over the next week. Please watch for them. When you receive your badge, please wear it. These badges give you permission to sit on the bench. If an official asks you for your badge and you cannot show them your badge, you will be asked to leave the bench. If you are the only coach, this could cause your team to forfeit. We do not want to have to do this. If you do not receive your badge by a Thursday and are scheduled to coach that weekend, contact the Region office immediately to check on your badge.

For the weekend of Jan 31 – Feb 1, many will not have their badge. Do not panic. Make sure you are on the roster. You should be receiving the badge soon.

We thank everyone for working on their ref/score clinics. Many have already finished this. We hope everyone has a great season. As always, if you have any questions, please contact the Region office.
