

Club Directors, Coaches and Junior Club Players,

Welcome to another season of Great Plains Volleyball. We hope everyone had a great summer and we look forward to another great season of club volleyball.

As many know, each year, coaches must attend a rules and scoring clinic. It is now the requirement that some players must be certified by completing specific rules and/or scoring clinics. In the past these clinics were given in person but with the help of technology and the internet, you can now take your clinics all in the comfort of your own home. These clinics are completed online, and can be done all in one sitting or you can do a little each night until they are complete. These clinics will benefit you as a coach or player when your team is scheduled to be the officiating work team for a match. We hope you find them useful and easy to take.

For those who completed their clinic(s) last year, those have been extended another year. Congratulations, you will not have to take the clinic(s) this year. If you are not sure whether you completed these or not, contact the Region office or check your membership record.

For those who need to take the clinic(s) this year, you first need to be a registered member of the Great Plains Region. If you are not a member, see membership registration instructions or contact the Great Plains Region office.

Log into your membership account (Go to www.gpvb.org and click on the Membership Log-in tab on the right side of the home screen). If you need assistance with your login, contact the Region office.

The clinics for this season are as follows:

GP17_101 - Great Plains Junior PLAYER – REFEREE

This clinic is for Junior club players who want to fulfill the referee requirement for this season. The clinic consists of four modules. R1, R2, Line judge, and Jr Signals. To complete the clinic, you must take all modules. Your membership will be updated upon completion and the acknowledgment will show on the team roster when printed. You will see a 'Y' under the ref column on the roster.

GP17_102 - Great Plains Junior PLAYER – SCORER

This clinic is for Junior club players who want to fulfill the scorer requirement for this season. The clinic consists of three modules. Scoring Basics, Deciding Set and Libero Tracker. To complete the clinic, you must take all modules. Your membership will be updated upon completion and the acknowledgment will show on the team roster when printed. You will see a 'Y' under the Score column on the roster.

GP17_103 - Great Plains - CLUB COACH

This clinic is for all Junior club coaches who want to fulfill the Rules and Scorer clinic requirement for this season. Your membership will be updated upon completion and the acknowledgment will show on the team roster when printed. You will only see a 'Y' under the ref column on the roster. (nothing under the Score column)

NOTE: The clinic for the Junior Club Coaches has an age cutoff of 18. Anyone under 18 should not be able to register for the Coach clinic. If you are a junior age coach (under 18), you must contact the Region office and we will load the clinic into your record for you.

Registering for a clinic

You will register for your respective clinic by logging into your membership account.

Open the [Region Clinics](#) menu on the left side by clicking the + sign next to it. If it is already open, you are good to go.

Click [Region Ref/Score Clinics](#).

Find the clinic you want to register for:

Again, your information will be displayed in the area below (green box). Click [Register](#)

The screenshot shows a registration interface with a progress bar at the top. The progress bar has three steps: 'STEP 1 Member Information', 'STEP 2 Confirm & Checkout' (which is highlighted with a red circle), and 'Confirm & Checkout'. Below the progress bar is a section titled 'Region Officials: Clinic Information'. It contains the following text: 'GP15_103 - Great Plains Junior CLUB COACH', '10/1/2014 - 7/4/2015', 'GP ONLINE Clinic', '7515 Main St', 'Ralston, NE 68127', and 'This clinic is for all junior club coaches. This clinic will fulfill the referee and scorer clinic requirements for coaches for the 2015 season.' To the right, under 'Organizer:', it says 'Great Plains Region', '7515 Main St', and 'Ralston, NE 68127'. Below this is a 'Registration Date:' section with 'Type:' and 'Price:' fields. The 'Event Entry Fee' is listed as '-FREE-' and the 'Total' is '\$0.00'. There is an 'edit' button next to the 'Participant Information' section. This section contains fields for Name, Address, Address 2, City, State, Country, Birth Date, Email, and Mobile Phone. A green box highlights the 'Register' button at the bottom, with a red arrow pointing to it. A message below the form states 'Entry for this event is free.'

When you have finished registering for your clinic, your course will load into the USA Volleyball Academy learning management system. If you wish to access your clinic modules right away, click the red button that says [Login to USAV Academy](#).

GETTING TO LMS LOGIN SCREEN (USA Volleyball Academy)

SINGLE ENTRY SIGN-IN!

To access your clinic modules, you must log in to your WEBPOINT membership account. When you get logged in, click any place where it says [USAV Academy](#) or [Login to USAV Academy](#). This is called single sign-in. You do not have to worry about the website URL for the academy or your USAV Academy login. You only need to log into your membership account then go to the USAV Academy. This will also ensure your logins stay the same and will be able to pass information back and forth.

When you are accessing the USA Volleyball Academy, you should be under **My Account** and see the courses you have enrolled for. If they are not complete, they will be listed under the “Enrolled” area. If you have already completed some of the modules, they will be listed under the “Completed” area.

When you want to view a module, click the green **GO** button on the right side of the screen next to that module. This will open to another screen and give you a description of this module. Click the **GO** button again and this will launch the course. When you are finished with that module, you should see a note that says data has been saved and will give you a link to go back to the main menu (My Account) area. The module you just watched should now be listed under the Completed area. You may go back and watch this module again at any time by clicking the blue **GO** button.

All courses, modules or clinics do not need to be completed in one sitting. You can start and stop each module when necessary. The module will start where you previously left off. Your certification will not be complete until you've completed all modules listed in your clinic course.

Same as last year, some of the modules will offer a short quiz at the beginning of the clinic. If you are able to answer enough questions correctly, it will automatically pass you for the module. If not, it will take you to the clinic module where you can watch the module.

If you have any issues with the clinics or need assistance, contact Bill Stanley (registrar@gpvb.org or call 402-593-9670) at the Great Plains Region office.

A few notes while viewing the modules...

- 1) You may not advance to the next slide before the previous slide is complete.
- 2) You may go BACK to watch a slide if you wish.
- 3) You must play/watch the entire module in order to get credit.
- 4) All courses, modules or clinics do not need to be completed in one sitting. You can start and stop each module when necessary. The module will start where you previously left off. Your certification will not be complete until you've completed all modules listed in your clinic curriculum.
- 5) Each module will also indicate if it has been completed until it reaches 100%.
- 6) You may go back and view any and all of these as many times as you wish.

SAMPLE OF LMS SCREEN:

The screenshot displays the USA Volleyball Academy LMS interface. At the top, there is a header with the USA Volleyball Academy logo and the text "Officiating and OnDemand Coaching Education Course Materials". Below the header is a navigation bar with links for HOME, MY ACCOUNT, USA VOLLEYBALL, VOLLEYBALLREFTRAINING.COM, WEBPOINT, and HELP. The main content area is titled "My Account" and shows a user's account information, including "LOGGED IN AS" and "LANGUAGE: ENGLISH". The "Learning Activities" section is divided into "Enrolled (2)" and "Completed (1)". The "Enrolled (2)" section contains two courses: "US101 2015-16 Critical Rules & Interpretations" and "US103 2015-16 Solid-Color Jersey Implementation". The "Completed (1)" section contains one course: "GP16_103 GP Junior Club Coach Training Introduction". The footer of the page includes the text "Powered by Inquisiq R4 Build 4.15.0302 © 2002-2015 ICS Learning Group" and "USA Volleyball System Test".
