

12/29/16

This email is being sent to everyone that is on our current or interested list to officiate this season. If you have changed your mind or have decided not to officiate, please let us know so we can take you off this list.

All,

Many of you have already responded. Thank you. Many of you, I have not heard from.

The clinic is approaching fast. January 7, 2017 Ralston High School Lecture Hall. Starting at 10:15. For those who want to attend the National referee clinic, it starts at 8:00. There is a separate registration for that.

If you have not registered for the clinic (whether you are attending or not), please do so at the following link:

<http://greatplainsforms.weebly.com/2017-great-plains-referee-clinic-sign-up.html>

If you can't remember whether you have responded, go to <http://www.gpvb.org/page/officiating-requirements> and find the link to the list of officials. This page (link) will be updated as often as possible so everyone can see what their progress is. If you think there is an error, please let me know.

See everyone on January 7 (hopefully).

Bill Stanley

Great Plains Registrar
